## KETTLE® Chips – quick recipe for the perfect dip

### Ingredients

- 300 g sour cream
- 2 tomatoes
- 2 ripe avocado
- 1 small can of sweetcorn
- 100 g cheese, finely grated
- 1 lime
- fresh coriander
- salt and pepper

### Preparation

Drain the tin of sweetcorn and place in blender, whizz till smooth and creamy. Season with salt and milled black pepper. Finely dice the tomatoes, set aside. Peel and de-stone the avocado, finely dice and add to the tomatoes. Place the sour cream into a mixing bowl. Fold in the sweetcorn, the tomatoes and avocado and the cheese. Finely grate the green skin of the lime and set aside. Squeeze the juice from the remaining lime into the mix. Add the lime zest and fold the mixture gently and further season to taste. Place in refrigerator till use. Finally chop some coriander, fold this in after removal from refrigerator.
